

## ODE TO A PINK LADY

The Lady has bottle  
She's Pink and she's not all,  
She should be according to talk;  
Yet men who have owned her,  
Have bought or have loaned her,  
Have not yet extracted her cork.

So here's to the Lady,  
So Pink and so shady,  
Whose virtue as yet is untasted;  
She needs to be laid,  
That most spiritous maid,  
Or our lucre will all have been wasted
